### Your Student Loan DebtBuster is all set up!

We will continually monitor your accounts and suggest additional payments you can safely make to pay off your loan faster and save on interest payments - all while ensuring you have sufficient funds to cover your ongoing expenses.

#### Important:

Loan servicers have different policies on how extra payments are applied - contact your servicer to make sure:

- 1. That you continue to make your regular monthly payments.
- 2. If you have multiple loans, ask for extra payments to be applied to the highest interest loan.
